

## Ohio Revised Code

### Section 4735.08 Conditions for issuing license.

Effective: December 29, 2023

Legislation: Senate Bill 131

---

The superintendent of real estate shall issue a real estate broker's license when the superintendent is satisfied that:

(A) An applicant who is not a partnership, association, limited liability company, limited liability partnership, or corporation has received a passing score on each portion of the real estate broker's examination as determined by rule by the real estate commission.

(B) All the members or officers who are authorized to perform the functions of a real estate broker as the agents of an applicant that is a partnership, association, limited liability company, limited liability partnership, or corporation, are licensed themselves as real estate brokers under this chapter.
