

Ohio Revised Code

Section 4779.13 Eligibility for license - pedorthics.

Effective: October 3, 2023

Legislation: House Bill 33

To be eligible for a license to practice pedorthics, an applicant must meet both of the following requirements:

(A) Holds a high school diploma or certificate of high school equivalence issued by the department of education and workforce, or a primary-secondary education or higher education agency of another state;

(B) Has completed the education, training, and experience required to take the certification examination developed by the Ohio occupational therapy, physical therapy, and athletic trainers board for certification in pedorthics or an equivalent successor organization recognized by the board.
