

## Ohio Revised Code

### Section 4906.30 No power siting board certificate or amendment for nonconformity.

Effective: October 11, 2021

Legislation: Senate Bill 52 - 134th General Assembly

---

(A) For purposes of this section and section 4906.31 of the Revised Code, "material amendment" and "utility facility" have the same meanings as in section 303.57 of the Revised Code.

(B) The power siting board shall not grant a certificate for the construction, operation, and maintenance of, or a material amendment to an existing certificate for, a utility facility, either as proposed or as modified by the board, to be constructed in the unincorporated area of a county, if the facility has any of the following:

(1) A nameplate capacity exceeding that which was provided to that county's board of county commissioners under section 303.61 of the Revised Code;

(2) A geographic area that is not completely within the boundaries provided to that county's board of county commissioners under section 303.61 of the Revised Code or the limited boundaries provided by that county's board of county commissioners under section 303.62 of the Revised Code;

(3) A type of generation that is different than that which was provided to that county's board of county commissioners under section 303.61 of the Revised Code.
