

## Ohio Revised Code

### Section 4928.24 Federal energy advocate, duties.

Effective: July 31, 2008

Legislation: Senate Bill 221 - 127th General Assembly

---

The public utilities commission shall employ a federal energy advocate to monitor the activities of the federal energy regulatory commission and other federal agencies and to advocate on behalf of the interests of retail electric service consumers in this state. The attorney general shall represent the advocate before the federal energy regulatory commission and other federal agencies. Among other duties assigned to the advocate by the commission, the advocate shall examine the value of the participation of this state's electric utilities in regional transmission organizations and submit a report to the public utilities commission on whether continued participation of those utilities is in the interest of those consumers.
