

Ohio Revised Code

Section 4928.641 Costs being recovered through bypassable charge.

Effective: October 22, 2019

Legislation: House Bill 6 - 133rd General Assembly

(A) If an electric distribution utility has executed a contract before April 1, 2014, to procure renewable energy resources and there are ongoing costs associated with that contract that are being recovered from customers through a bypassable charge as of September 12, 2014, that cost recovery shall, regardless of the amendments to section 4928.64 of the Revised Code by H.B. 6 of the 133rd general assembly, continue on a bypassable basis through December 31, 2032.

(B) Division (A) of this section applies only to costs associated with the original term of a contract described in that division and entered into before April 1, 2014. This section does not permit recovery of costs associated with an extension of such a contract. This section does not permit recovery of costs associated with an amendment of such a contract if that amendment was made on or after April 1, 2014.
