

Ohio Revised Code

Section 4929.051 Plan proposing to initiate or continue a revenue decoupling mechanism.

Effective: September 9, 2011

Legislation: House Bill 95 - 129th General Assembly

(A) An alternative rate plan filed by a natural gas company under section 4929.05 of the Revised Code and proposing to initiate or continue a revenue decoupling mechanism shall be considered an application not for an increase in rates if the rates, joint rates, tolls, classifications, charges, or rentals are based upon the billing determinants and revenue requirement authorized by the public utilities commission in the company's most recent rate case proceeding and the plan also establishes, continues, or expands an energy efficiency or energy conservation program.

(B) An alternative rate plan filed by a natural gas company under section 4929.05 of the Revised Code and seeking authorization to continue a previously approved alternative rate plan shall be considered an application not for an increase in rates.
