

Ohio Revised Code

Section 4953.16 Maximum charge.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

All charges made by union electric interurban terminal and depot companies for the use of their tracks and terminal depot facilities shall be on the same basis against each company using them and no preference in charges shall be given one company over another.

Such union electric interurban terminal and depot company shall not charge any interurban railroad or street or other electric railway company, for the use of the passenger terminal station, more than one cent for each passenger hauled by such companies within the limits of the municipal corporation.
