

Ohio Revised Code

Section 4963.06 Fire extinguishers required.

Effective: January 23, 1963

Legislation: House Bill 1 - 105th General Assembly

All railroad coaches carrying passengers shall be equipped with at least one portable fire extinguisher. Such fire extinguishers shall be of a construction which renders them durable and efficient. The public utilities commission shall enforce this section.

No person, company, or corporation operating a railroad in whole or in part in this state shall violate this section. Each day that such person, company, or corporation runs its trains in violation of this section constitutes a separate offense.
