

Ohio Revised Code

Section 5120.40 Qualification of teachers.

Effective: October 29, 1996

Legislation: Senate Bill 230 - 121st General Assembly

All teachers employed in any institution under the jurisdiction of the department of rehabilitation and correction shall possess educator licenses or have the qualifications and approval that the superintendent of the Ohio central school system, after conference with the officers in charge of the several institutions, prescribes for the various particular types of service or service in the particular institutions.
