

Ohio Revised Code

Section 5120.68 Warden's report to parole board.

Effective: September 29, 2017

Legislation: House Bill 49 - 132nd General Assembly

(A) When a prisoner becomes eligible for parole under section 2967.13 of the Revised Code, the warden of the institution in which the prisoner is incarcerated shall prepare a report containing all of the following information:

(1) Information concerning the prisoner's participation in programs during the prisoner's time at the institution;

(2) Information concerning the prisoner's compliance or noncompliance with rules while at the institution;

(3) Information concerning the ability of the prisoner to seek and obtain employment upon release from incarceration.

(B) The warden shall submit the report created under division (A) of this section to the parole board prior to any hearing to determine whether or not the prisoner should be paroled.
