

## Ohio Revised Code

### Section 5164.29 Revised Medicaid provider enrollment system.

Effective: September 29, 2017

Legislation: House Bill 49 - 132nd General Assembly

---

Not later than December 31, 2018, the department of medicaid shall develop and implement revisions to the system by which persons and government entities become and remain medicaid providers so that there is a single system of records for the system and the persons and government entities do not have to submit duplicate data to the state to become or remain medicaid providers for any component or aspect of a component of the medicaid program, including a component or aspect of a component administered by another state agency or political subdivision pursuant to a contract entered into under section 5162.35 of the Revised Code. The departments of aging, developmental disabilities, and mental health and addiction services shall participate in the development of the revisions and shall utilize the revised system.
