The municipal corporation shall, prior to the making by the board of the contract provided for by section 5521.05 of the Revised Code, provide and pay that portion of the cost assumed by it into the county treasury, to the credit of a special fund which shall be created for the construction of the improvement. The contract and certificate required of the board by section 5521.05 of the Revised Code shall embrace the funds furnished by the municipal corporation, which funds shall be disbursed upon the requisition of the director.
