

## Ohio Revised Code

### Section 5525.22 Demolition contracts.

Effective: June 30, 1995

Legislation: House Bill 107 - 121st General Assembly

---

For contracts for projects that involve the demolition of property for a right-of-way, the director of transportation shall include in the contract adequate provision for liquidated damages and a requirement that the contractor inform the department of the method for disposal of demolition debris prior to the start of work.
