

Ohio Revised Code Section 5551.05 Surveys and plans.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

The surveys, plans, profiles, and cross sections required by the board of county commissioners to be prepared by the county engineer, in connection with a proposed road improvement or construction, shall show the right of way or other lands of the street or interurban railway company which it is proposed to acquire and the location of lands proposed to be exchanged therefor, to the extent that the lands to be exchanged are located within or contiguous to the bounds of such road.
