

## Ohio Revised Code

### Section 5719.085 Return of statement of taxes collected.

Effective: July 2, 1984

Legislation: House Bill 379 - 115th General Assembly

---

For the collection of all taxes, penalties, interest, and costs mentioned in section 5719.084 of the Revised Code, the county treasurers shall have the same powers given by any law for the collection of taxes. All moneys collected by any treasurer pursuant to such section shall be by him transmitted, in the safest and most convenient way, to the treasurer of the county to which such moneys belong. At the same time, he shall forward a statement to the county auditor of such county of the amount collected and from whom. If the treasurer is unable to collect such taxes he shall return the original statement to the auditor of the county from which it was sent, with his official certificate why they could not be collected.
