

Ohio Revised Code

Section 5735.43 Funding from motor fuel taxes; disclosure of use.

Effective: July 3, 2019

Legislation: House Bill 62 - 133rd General Assembly

Any agency or entity, including a local government entity, that receives funding derived from the motor fuel tax levied under Chapter 5735. of the Revised Code, and either expends the funds on a project that takes more than seven business days to complete, or expends \$500,000 or more of the funds, shall include on that agency or entity's web site annual status updates on how the funds are being used. Such information may include how much money is spent, when the money is spent, on what projects the money is spent, and similar information demonstrating to the public the use of funds received.
