

Ohio Revised Code

Section 5749.07 Failure to file or pay tax.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

(A) If any severer required by this chapter to make and file returns and pay the tax levied by section 5749.02 of the Revised Code, or any severer or owner liable for the amounts due under section 1509.50 of the Revised Code, fails to make such return or pay such tax or amounts, the tax commissioner may make an assessment against the severer or owner based upon any information in the commissioner's possession.

No assessment shall be made or issued against any severer for any tax imposed by section 5749.02 of the Revised Code or against any severer or owner for any amount due under section 1509.50 of the Revised Code more than four years after the return was due or was filed, whichever is later. This section does not bar an assessment against a severer or owner who fails to file a return as required by this chapter, or who files a fraudulent return.

The commissioner shall give the party assessed written notice of such assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the party assessed files with the commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party assessed

resides or in which the party's business is conducted. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of such entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state severance tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment is issued, the portion of the assessment consisting of tax due or amounts due under section 1509.50 of the Revised Code shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected by the commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the tax imposed by section 5749.02 of the Revised Code and the amount due under section 1509.50 of the Revised Code, as applicable.
