

Ohio Revised Code

Section 5805.05 Attachment of mandatory distributions absent spendthrift provision.

Effective: January 1, 2007

Legislation: House Bill 416 - 126th General Assembly

(A) To the extent that a trust that gives a beneficiary the right to receive one or more mandatory distributions does not contain a spendthrift provision, the court may authorize a creditor or assignee of the beneficiary to attach present or future mandatory distributions to or for the benefit of the beneficiary or to reach the beneficiary's interest by other means. The court may limit an award under this section to the relief that is appropriate under the circumstances, considering among any other factors determined appropriate by the court, the support needs of the beneficiary, the beneficiary's spouse, and the beneficiary's dependent children or, with respect to a beneficiary who is the recipient of public benefits, the supplemental needs of the beneficiary if the trust was not intended to provide for the beneficiary's basic support. If in exercising its power under this section the court decides to order either a sale of a beneficiary's interest or that a lien be placed on the interest, in deciding between the two types of action, the court shall consider among any other factors it considers relevant the amount of the claim of the creditor or assignee and the proceeds a sale would produce relative to the potential value of the interest to the beneficiary.

(B) Whether or not a trust contains a spendthrift provision, a creditor or assignee of a beneficiary may reach a mandatory distribution the beneficiary is entitled to receive if the trustee has not made the distribution to the beneficiary within a reasonable time after the designated distribution date.
