

Ohio Revised Code

Section 5911.09 Control officer - appointment.

Effective: December 19, 2016

Legislation: House Bill 471 - 131st General Assembly

For each armory erected or provided, the adjutant general shall appoint a control officer who shall be an officer of one of the organizations or units quartered therein. The control officer may rent the armory for temporary purposes, subject to regulations prescribed by the adjutant general, and the money derived from such rental shall be paid into the treasury of the armory control officer.
