

Ohio Revised Code

Section 738.04 Tax to maintain fund.

Effective: July 1, 1985

Legislation: House Bill 201 - 116th General Assembly

In each municipal corporation maintaining a sanitary police pension fund, the legislative authority thereof each year, in the manner provided for other municipal levies and in addition to all other levies authorized by law, may levy a tax, not to exceed one-thirtieth of a mill on each dollar, upon all the real and personal property listed for taxation in such municipal corporation. In the matter of such levy, the board of trustees of the fund shall be subject to the law controlling the heads of departments in such municipal corporation and shall discharge all the duties required of such heads of departments.

A failure of such board to act in the manner required of the heads of departments of such municipal corporation, in the making of such levy, shall not limit the power of the legislative authority thereof to make such levy.
