

## Ohio Revised Code

### Section 759.341 Union cemetery district.

Effective: October 20, 1987

Legislation: Senate Bill 140 - 117th General Assembly

---

The legislative authority of each municipal corporation and the board of township trustees of each township that has united in the establishment and management of a cemetery under section 759.27 of the Revised Code, by an affirmative vote of a majority of each legislative authority and board, may form a union cemetery district comprised of all of the territory within the united municipal corporation and township for the purpose of levying taxes within the territory of the district for the establishment, operation, and maintenance of the cemetery. The legislative authority and board, acting jointly, shall constitute the taxing authority of the union cemetery district. Notwithstanding sections 759.37, 5705.19, and 5705.191 of the Revised Code, in order to adopt a resolution to levy a tax in excess of the ten-mill limitation within the district, a majority of the members of each legislative authority and board of township trustees constituting the taxing authority must vote in favor of the resolution. In all other matters, when the legislative authority and board are acting jointly as the taxing authority of the union cemetery district, each member of the legislative authority and board shall have one vote as described in section 759.37 of the Revised Code.
