

## Ohio Revised Code

### Section 926.08 Requiring additional insurance.

Effective: July 1, 1983

Legislation: House Bill 770 - 114th General Assembly

---

If the director of agriculture determines that a previously approved insurance coverage is insufficient, he may require that additional insurance coverage be given by the licensed handler, conforming with the requirements of section 926.07 of the Revised Code.
