The applicant or licensee to whom a denial, suspension, or conditional suspension order is issued shall be afforded a hearing in accordance with Chapter 119. of the Revised Code, after which the director shall issue or deny the license applied for in the pending application or reinstate or revoke the suspended or conditionally suspended license. The director may suspend, conditionally suspend, or revoke a license after a hearing held in accordance with Chapter 119. of the Revised Code for any other violations of this chapter or any rules adopted under it.

The director shall cause a notice to be posted on the property of a person whose license has been suspended, conditionally suspended, or revoked stating the limitations or restrictions imposed on the person in the handling of agricultural commodities as a result of the suspension, conditional suspension, or revocation. The notice shall not be removed from the property without written authorization from the director.

If a handler's license is revoked, the handler immediately shall notify, in a manner determined by the director, all parties that are storing agricultural commodities in the handler's warehouse and all holders of receipts issued by the handler, if known. The handler shall liquidate the commodities in the manner determined by the director.
