

## Ohio Revised Code

### Section 941.03 Administrative rules.

Effective: March 23, 2016

Legislation: House Bill 131 - 131st General Assembly

---

(A) The director of agriculture, under Chapter 119. of the Revised Code, may adopt and enforce rules to carry out this chapter, including designating a disease or vector as a dangerously contagious or infectious disease or as a disease of concern.

(B) No person shall fail to comply with the rules adopted by the director under division (A) of this section.
