

## Ohio Administrative Code

### Rule 109:1-5-07 Device and system specifications.

Effective: December 23, 2021

---

(A) All electronic instant bingo systems and associated game software must be approved by the attorney general for use in Ohio and comply with all technical and testing standards adopted by the attorney general as appendix A to this rule and as made available on the attorney general website.

(B) An electronic instant bingo concept not contemplated under the technical and testing standards adopted by the attorney general in this rule will be reviewed on a case-by-case basis by the attorney general.
