

## Ohio Administrative Code Rule 109:2-18-07 Program funding.

Effective: December 16, 2021

---

Funding for continuing professional training may come from a variety of funding sources. As funding sources change over time, the requirements may change to reflect the focus of the funding source. No later than October fifteen of each year, the executive director shall notify the appointing authorities, in writing, of the training requirements for the upcoming calendar year.
