

Ohio Administrative Code Rule 109:2-6-08 Examination.

Effective: July 7, 2002

A final written examination must be taken and passed by a minimum score of seventy per cent by each criminal investigator for certification. The assembling of examination material, and preparation, supervision and grading of the examination shall be the responsibility of the commander. The commander shall forward the examination results and a copy of the examination to the executive director at the completion of the basic course.
