

Ohio Administrative Code Rule 111:1-3-14 Procedure upon refusal.

Effective: February 2, 2020

If the filing office finds grounds to refuse to accept a UCC record, the reason(s) for the refusal and other related information will be made to the remitter. During the submission process, the electronic filing system will indicate any deficiencies and will prompt the filer to provide all required information necessary to complete the filing. The system will not accept a filing until all required information is provided.
