

## Ohio Administrative Code

### Rule 111:1-4-03 Acknowledgment of business services form filed by electronic means.

Effective: January 25, 2016

---

(A) A form that is filed by electronic means shall be filed by using an on-line application that is linked to the secretary of state's internet home page.

(B) The secretary of state shall immediately acknowledge each form filed through the on-line application by notifying the filer when the form is successfully submitted. Submitted forms may be subject to further review by the secretary of state's office.

(C) The secretary of state's method of preserving forms filed by electronic means is to store all such forms in a database maintained by the secretary of state.
