

Ohio Administrative Code Rule 111:2-1-06 Computation of time.

Effective: January 25, 2016

In computing any period of time prescribed or allowed by agency 111 of the Administrative Code or Chapter 3517. of the Revised Code, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday.
