

Ohio Administrative Code Rule 111:3-10-03 Print Vendor Quality Control.

Effective: November 20, 2023

(A) Any print vendor that enters into an agreement with a board shall have quality controls that prevent any intentional or unintentional changes to the ballot style of printed ballots. The print vendor is solely responsible for implementing and maintaining quality control practices to ensure ballots conform to proper ballot style.

(B) The print vendor shall provide written assurance that the print vendor will follow all ballot style specifications outlined in section 3505.08 of the Revised Code and any contractual agreement with the board.

(C) The print vendor shall provide the board with emergency contact information of individuals with managerial responsibility for execution of the contract.
