

## Ohio Administrative Code

### Rule 123:1-70-01 Determination of insurance to be purchased.

Effective: [March 28, 2014](#)

---

(A) The administrator of the office of risk management shall determine what kinds of insurance authorized by law shall be purchased and furnished on behalf of all state agencies except the following:

- (1) Boards of elections;
- (2) Courts of appeals;
- (3) Courts of common pleas;
- (4) Supreme court;
- (5) General assembly;
- (6) Maintenance of Ohio national guard;
- (7) Agricultural experimental stations of the state; and
- (8) Educational institutions of the state.

(B) Nothing in paragraph (A) of this rule precludes any state agency, board, or commission listed in paragraph (A) of this rule, except for educational institutions of the state, from requesting the administrator of the office of risk management to determine what kinds of insurance programs or policies are appropriate for the excepted state agency, board or commission and request that the administrator of the office of risk management purchase and furnish appropriate insurance programs or policies on its behalf. The office of risk management may charge a reasonable fee for the services rendered pursuant to this paragraph to the agencies otherwise excepted by paragraph (A) of this rule.
