

Ohio Administrative Code

Rule 123:6-1-07 Provisional fleet manager certification.

Effective: [March 16, 2009](#)

(A) The department of administrative services may provisionally certify an individual as a certified fleet manager, for purposes of sections 125.83 to 123.836 of the Revised Code and this chapter, provided the individual meets all of the following:

(1) The individual is an employee of state agency and has been designated by the agency as the agency's fleet manager responsible for overseeing the operation of that state agency's fleet.

(2) The individual is enrolled in the fleet manager certification program, pursuant to paragraph (B) of rule 123:6-1-06 of the Administrative Code.

(3) The individual is demonstrating progress, as determined by the department, in completing the certification program, pursuant to paragraph (B) of rule 123:6-1-06 of the Administrative Code.

(B) The department of administrative services may provisionally certify an individual as a fleet manager, pursuant to this paragraph, for a period of not more than three years.
