

## Ohio Administrative Code

### Rule 1501:17-5-10 Boating prohibited; exceptions.

Effective: September 20, 2010

---

No person shall embark or disembark from any watercraft within the confines of any nature preserve or natural area, except in areas provided for such use. Boating is permitted on any navigable stream provided that entrance to the stream is made upstream or downstream from the nature preserve or natural area. Boating shall be prohibited on any lake, pond or other body of water whose entirety is within the confines of any nature preserve or natural area, unless written permission is obtained from the chief of the division or his appointed agent or is otherwise permitted in the articles of dedication.

No person shall operate a vessel at greater than idle speed or create a wake on the Licking River within the confines of Blackhand gorge state nature preserve from the Toboso road bridge (county road 273) upstream to the confluence of Brushy Fork creek and the Licking river.
