

## Ohio Administrative Code

### Rule 1501:21-17-04 Final inspection and approval by the chief.

Effective: [May 18, 2023](#)

---

In the twelfth month following approval of construction by the chief under rule 1501:21-17-03 of the Administrative Code, the chief will make a final inspection of the construction. If the final inspection shows that no fact has become apparent to indicate that the construction was not performed in accordance with the terms of the permit, plans, specifications, and approved changes thereof, and that the completed construction as performed would apparently not endanger life, health, or property, the chief will give final approval of the construction and release the surety bond as prescribed in rule 1501:21-7-02 of the Administrative Code.
