

## Ohio Administrative Code Rule 1501:46-12-15 Removal of watercraft.

Effective: [May 8, 2020](#)

---

In the event a situation develops wherein docks administered by the division must be closed due to flood or other natural conditions in accordance with rule 1501:46-3-02 of the Administrative Code, the division reserves the right to remove and secure watercraft if the owner cannot be contacted or if the owner is unable to remove said watercraft in a reasonable time. Neither the division nor its agents shall be held liable for damage to any property provided reasonable care and caution is exercised.
