- (D) At division sponsored events where the chief has approved the sale of items other than food and beverages by a special activities permit, a vendor permit fee not to exceed seventy-five dollars per day may be charged to each vendor to defray a portion of the cost of the event.
- (E) At division sponsored events where the chief has approved the sale of food or beverages by a special activities permit, a permit fee not to exceed fifteen per cent of the gross receipts from the sale of food and beverages may be charged to each vendor selling food or beverages. The permit fee shall be paid to the division within thirty days after the event and be accompanied by an accurate financial statement in a format specified by the chief.
