

Ohio Administrative Code Rule 1501:46-3-34 Dog exercise areas.

Effective: June 30, 2024

(A) The chief may designate "dog exercise" areas at state parks. It is not mandatory for dogs in designated dog exercise areas to be on a leash if they are under the control and supervision of a person eighteen years old or older. Up to two dogs per adult are permitted in the dog exercise area.

(B) No person may bring a dog into a dog exercise area if the dog is under four months old; is in heat; or has fresh wounds. No person may bring a dog into a dog exercise area unless the dog is current with vaccinations and displays the current license and rabies tags.

(C) No person may bring a dog into a dog exercise area and fail to remove or collect their dog's waste and place it in the designated receptacles.

(D) No person is permitted to be in a dog exercise area between sunset to sunrise.

(E) Children under the age of sixteen are not to be in a dog exercise area except while under the supervision of a responsible adult.

(F) Any dog that exhibits threatening or vicious behavior is not permitted to enter dog exercise areas.
