

## Ohio Administrative Code Rule 1501:46-7-08 Metal detectors prohibited.

Effective: June 30, 2023

---

It is permitted to use a metal detector or othersimilar device for the purpose of locating or removing any metallic objects orany other objects of value on sand beach areas and mowed areas except mowedareas associated with a golf course, rental facility or campground; providedthat any area disturbed by the activity shall immediately be returned to acondition as close to undisturbed as possible.

The use of a metal detector in any other area in orupon the lands or waters of the division is not permitted without first havingobtained written permission from the area manager.
