

Ohio Administrative Code

Rule 1501:46-7-13 Portable or temporary pools and splash pads.

Effective: February 15, 2024

On any lands administered by the division, no person is permitted to import, assemble, or install any commercially produced novelty or privately engineered contrivance for use as a portable wading pool, whirlpool, hot tub, spa pool, splash pad, or other device fabricated to spray or sprinkle pressurized water as an amusement, unless exempted in writing by the area manager.
