

## Ohio Administrative Code Rule 1501:47-1-04 Transferred watercraft.

Effective: June 30, 2023

---

When a watercraft registered by the chief of the division of parks and watercraft is transferred by the owner to another person, the registration numbers and registration decal assigned to the watercraft are not to be removed and will pass to the possession of the new owner. Any remaining time on the registration will be transferred.
