

Ohio Administrative Code

Rule 1501:47-1-06 Change in watercraft propulsion.

Effective: June 30, 2023

When a watercraft registered under the provisions of section 1547.54 of the Revised Code is changed as to type of propulsion, which would be subject to a higher registration fee, the owner of the watercraft shall surrender the existing registration certificate to a duly appointed registration agent of the division of parks and watercraft and upon payment of the additional fee plus a writing fee of three dollars to the agent, will be issued a new registration certificate bearing the original registration number and listing the required data of the new watercraft.
