

## Ohio Administrative Code

### Rule 1501:47-1-15 Mandatory education/abbreviated examination for boat rental companies.

Effective: January 26, 2018

---

In accordance with section 1547.052 of the RevisedCode, the division of parks and watercraft approved abbreviated examinations shall be completed with the following requirements:

- (A) The examination shall be administered by and in the presence of the rental business employee issuing the rental agreement;
  - (B) A person taking the examination shall only have two attempts at achieving a passing score within one calendar day;
  - (C) No reference material shall be utilized by a person while completing the examination;
  - (D) Neither the rental business employee, nor any other person shall provide information to another person while attempting to complete the examination in order to attain a passing score.
-
