

Ohio Administrative Code Rule 1501:47-1-28 Garbage placard.

Effective: January 10, 2019

(A) Any vessel, except a vessel of less than twenty-six feet in length operating upon the waters of this state, must have a garbage placard of at least nine inches wide by four inches high, made of durable material, lettered with letters at least one-eighth inch high as described within 33 CFR 151.59.

(B) The placard must be displayed in a conspicuous place on the vessel at all times and notify the reader of the following:

(1) The discharge of plastic, or garbage, or any other waste mixed with plastic into the water is prohibited.

(2) The discharge of dunnage, lining and packing materials that float into the water is prohibited.

(C) No person shall operate a vessel or permit the operation of a vessel in violation of this rule.
