

## Ohio Administrative Code Rule 1501:47-1-29 Copy of rules.

Effective: January 10, 2019

---

(A) Upon the waters of this state, the operator of each self-propelled vessel twelve meters or more in length shall carry on board and maintain for ready reference a copy of the inland navigation rules as required by 33 CFR 88.05.

(B) No person shall operate a vessel or permit a vessel to be operated in violation of this rule.
