

## Ohio Administrative Code

### Rule 1501:47-3-09 Speed and ski zone operation.

Effective: June 30, 2023

---

Any person who operates or permits the operation of a powercraft within or through a designated speed zone, ski zone or unzoned area designated for combined speed boating and water skiing as provided in rule 1501:47-3-08 of the Administrative Code, between the hours of sunrise E.S.T. to sunset E.S.T. is responsible for ensuring that the powercraft does not exceed a speed that is reasonable, having due regard to traffic, surface and any other hazardous conditions then existing within such zones. Except from sunset E.S.T. to sunrise E.S.T. the speed limit for all watercraft is reduced to ten miles per hour within or through said zones.
