

Ohio Administrative Code

Rule 1501:47-3-11 Air propelled powercraft, hovercraft.

Effective: September 3, 2018

Except as provided in rule 1501:46-13-11 of the Administrative Code, no person shall use or operate any air propelled powercraft or hovercraft on any water area of the division of parks and watercraft except that it shall be lawful to use these craft in the speed or ski zone only on the waters of the division of parks and watercraft named in this paragraph, and also in the waters that directly lead from a launch ramp or dock facility to these speed or ski zones.
