

## Ohio Administrative Code

### Rule 1501:47-3-18 Lakes permitting no wake operation.

Effective: January 30, 2021

---

On waters under the management authority of the division of parks and watercraft listed in this rule, no person shall operate or permit the operation of a powercraft at a speed greater than idle speed as defined in section 1546.01 of the Revised Code:

(A) Harrison lake at Harrison lake state park.

(B) Turkey creek lake at Shawnee state park.
