

Ohio Administrative Code

Rule 1501:47-7-10 Springfield lake, Summit county.

Effective: February 15, 2024

Upon the waters of Springfield lake, it is unlawful:

- (A) To operate or permit the operation of a watercraft at a speed greater than idle or no-wake speed between the hours of seven p.m. and ten a.m.
 - (B) For any watercraft to anchor, idle, or stop in the designated speed and ski zone except to retrieve a fallen skier between the hours of hours of ten a.m. and seven p.m.
 - (C) To swim from any watercraft except in designated no-wake zones.
 - (D) To operate or permit the operation of a powercraft in the designated speed and ski zone in a manner that is inconsistent with the established counter-clockwise direction of travel, keeping the near shoreline on the starboard (right) side of the vessel.
 - (E) To operate or permit the operation of any type of hydroplane, airboat, airfoil, tunnel hull, drag hull, wing-in-ground craft, hovercraft, submersible watercraft or diver propulsion device.
