The SLTCO shall validate the examinations to the extent practicable. Any time curriculum is modified, and at least once per year, the SLTCO shall validate the examinations to ensure they are fair and test candidates on material received through the professional-development sessions provided under rule 173-14-05 of the Administrative Code.

(B) The deployment examination shall be administered after a candidate for specialist or program director certification has completed the first forty hours of professional development required by paragraph (B) of rule 173-14-07 of the Administrative Code.

(1) A candidate shall achieve a score of seventy per cent before performing core ombudsman services without direct supervision and may retake the deployment exam until a passing score is achieved.

(2) The SLTCO shall notify the candidate and the candidates regional director in writing of the SLTCOs approval of deployment.

(C) Before administering the certification examination to or for specialists and program directors, the state office shall provide a review of the curriculum being tested to candidates who are eligible to take the examinations and who have been trained by the state office.

(D) The regional programs shall proctor and score any examination given to candidates for associate certification. The state office shall proctor all examinations given to candidates for specialist, program director certification, and associates affiliated with the state office.

(E) The SLTCO shall score the specialist and program director examination in a way that protects

(F) The SLTCO shall notify the candidate and, where appropriate, the regional program director of the result. The SLTCO may provide a list of suggested continuing education topics to the candidate and, where appropriate, to the regional program director.

(G) The SLTCO shall provide each candidate and the candidate's supervisor with an opportunity to review the candidate's examination during the thirty-day review period after the SLTCO releases the candidate's results. After failing the examination three times, the regional director shall remove the individual from the provision of core services.

A volunteer representative who has failed the specialist examination may take an associate examination.

No candidate who is currently certified as a representative of the office shall lose the certification status currently assigned to that representative based upon a failure to pass any higher-level certification examination.
